

### COMMERCIAL DRIVING (CDL) TRAINING

“A journey starts with one foot in front of the other, and sometimes the hardest part is getting on your feet. For me, Climb gave me the hand I needed to stand up. I had the chance, for the first time in my life, to progress and advance as a person. I will never sell myself short again. I can do anything I set my mind to.”

-Ashley,  
2020 CDL Graduate

**Left:** Ashley and other graduates from Climb’s Commercial Driving (CDL) training in 2020 showed resilience and motivation as they completed training during the pandemic. The moms are now at work in essential transportation jobs driving school buses, delivery vehicles, and more.

### MEDICAL OFFICE CAREERS TRAINING

CASPER’S MEDICAL OFFICE CAREERS TRAINING INCLUDED:

- Administrative skills
- Patient scheduling
- Customer service
- Phlebotomy certification
- Medical terminology

If you are an employer  
**INTERESTED IN HIRING GRADUATES**  
of this program, contact Grace today  
at [grace@climbwyoming.org](mailto:grace@climbwyoming.org)!

Graduates from Climb’s recent Medical Office Careers program in Casper are positively impacting the medical community during a healthcare crisis. Climb provided the 12 participants with laptops, help accessing internet service, and IT support so that they could participate in the training and connect with each other virtually. Online mock interviews brought in several professionals to practice and provide feedback, and a virtual simulator allowed the moms to practice medical terminology live with an instructor.

Grad Melissa (**left**) gives her son a squeeze during Climb's "Mom and Kid" night in Casper. Ashley and Jamie (**above left**), Medical Office Careers participants, practice phlebotomy skills. Kendra (**above right**), a recent Commercial Driving (CDL) graduate, is now a driver for Wyoming Food Bank of the Rockies.
